Winter Farm & Market

Local Food Guide

2025 / 2026

GROWN 
CONnectED

YOUR COMMUNITY OF FARMS
IN NORTHEAST CONN.

Get ConNECTed. Find Your Local Farm.

The winter season is a unique time for our local farmers. It may seem quieter but many of our farms continue to produce food that will keep you warm during these cooler months. Many farmstands stay open year round and more farms can be found at indoor winter farmers markets nearby. We have created this Winter Farm & Market Guide to help make local, farm-fresh food easier to find for YOU, the residents of the “Quiet Corner” of Northeastern CT (NECT)!

Farms are a vital part of our community, and by supporting them we can grow and thrive through our connections to each other. Whenever we shop at any of the more than **150 farms and farmstands** or one of the **7 winter farmers markets** to chat with farmers while picking up ingredients for meals at home, we not only feed ourselves but our community’s resiliency.

Use this guide to find a local farm you love. Our farmers hope to see you soon!

Launched in 2021, UConn Extension leads the Grown ConNECTed marketing initiative, collaborating with regional organizations to guide the project. Learn more at: grownconnected.org

CSA SHARES

bring home the flavor of farm fresh food all season long

Cloverleigh Farm • Columbia

Community Supported Agriculture (CSA) Shares become available to reserve from farms as early as January. Ask your farmer about their CSA, purchase a share, and receive fresh locally grown food all season long. It's one of the best ways to support your favorite local farm!

GROWN CONNECTED FOR ALL

FARMS IN NORTHEAST CT WELCOME **SNAP** CUSTOMERS

Are you a recipient of Supplemental Nutrition Assistance Program (SNAP) and are hoping you can use them to buy local food? You're in luck! There are options in the region to use your benefits to get fresh local food from Northeast CT farms.

What are SNAP / EBT benefits?

The federal Supplemental Nutrition Assistance Program (SNAP) provides nutrition benefits to supplement the food budget of families in need so they can purchase healthy food and move towards self-sufficiency. Electronic Benefits Transfer (EBT) is an electronic system that allows a Supplemental Nutrition Assistance Program (SNAP) participant to pay for food using SNAP benefits.

Where can I use my SNAP benefits to buy local food from farms?

There are farms and farmers markets that accept SNAP throughout the region. Grown ConNECTed's online SNAP Retailer Farm & Farmers Market locator allows anyone to locate one nearby: grownconnected.org/snap

- Betsy's Stand, Sterling
- B-Z-B Farm, Canterbury
- KDCrop Farms, Chaplin
- Lynch Hill Farm, Lebanon
- Our Kids Farm, Canterbury
- Radical Roots Farm, Canterbury
- Russo's Roots, Canterbury
- Tolland Green Market
- Westview Farm, Woodstock
- Willimantic Farmers Market
- Willimantic Food Coop

What does it mean to "double" my SNAP?

The **Willimantic Farmers Market** and **Tolland Green Market** double SNAP benefits for purchases made at their farmers market. This means that every \$1 of SNAP benefits is doubled to \$2 of value. Visit the information tent at the market for details on redemption, eligible items, and any \$ limits for their doubling program. Our market managers are there to help!

Need food assistance or want to learn more?

Visit the Connecticut SNAP website:
